30-day Renewal Window	At the end of a Guarantee Period or the Annual Interest Renewal Account one-year term, the Owner has a 30-day window to elect a renewal option. No surrender charges or Market Value Adjustment apply to Contract Value allocated to the Annual Interest Renewal Account. For contracts issued in Florida, once Contract Value is allocated to the Annual Interest Renewal Account, it may not be reallocated to a Guarantee Period, even after the one-year term ends.

<sup>1</sup> The Interest Rate Bonus is applied when the total Account Value allocated to a Guaranteed Period reaches at least \$100,000. The Interest Rate Bonus does not apply to the GMIR nor does it currently apply to the Annual Interest Renewal Account. Talk to your financial professional for details.
