Interest Rate Lock Program: Security Benefit offers a rate lock program for new applications received in good order within 10 business days of applicant signature where we will lock in the current rate while we process applications and wait for funds to arrive. Rate lock will not apply on applications received after 10 business days from the signed date or funds that are received after 60 calendar days from the signed application date. These contracts will be issued with the Interest Rate, Caps, Spreads, and Participation Rates in effect on the respective date the contract is issued.
