

## Important Notice Regarding the Replacement of Your Annuity Contract

You have been offered a new annuity contract to replace your existing annuity contract.

Before you replace your existing annuity contract, you should consider the financial gains and losses of replacement.

You may incur additional costs to acquire the new annuity contract.

To make an informed decision about the replacement of your existing annuity contract, you should discuss the provisions of that contract with the producer of insurance or the insurance company which issued it to determine whether your existing annuity contract may be revised to meet your present needs.

Your new annuity contract provides 30 days for you to decide if you wish to keep it.

The producer of insurance or insurance company which is offering to replace your existing annuity contract is required to obtain your signature on this notice and to notify your existing insurance company that you are considering the replacement of your existing annuity contract.

I have read this notice and received a copy of it for my records. I have also received a copy of the written comparison of the proposed annuity contract and my existing annuity contract.
