⌘ ESG funds noted with this symbol are funds identified by Morningstar as ESG funds pursuant to the Morningstar criteria. Morningstar defines “Sustainable Investment” as a fund that explicitly indicates any kind of sustainability, impact, or ESG strategy in their prospectus or offering documents. “ESG Funds” incorporate environmental, social, and governance (ESG) principles into the investment process or engagement activities. “Impact Funds” seek to make a measurable impact with investments on specific issue areas like Gender Diversity or Community development alongside financial return. “Environmental Sector Funds” are non-diversified funds that invest in environmentally oriented industries like renewable energy or water.

##Not available in 457(b) Tax Exempt (Top Hat), which utilizes the ERISA lineup rather than the Non-ERISA.
