Interest rate-lock program

Security Benefit offers a rate-lock program for transfers from another carrier for up to 60 calendar days. The program will lock-in the current Fixed Account interest rate and cap, spread, and participation rates, as long as the transfer money is received at Security Benefit within 60 calendar days from the date we receive the signed application for a new contract. The rate-lock program is available for initial Purchase Payments with a new contract.

It's important to understand this is not a "window" of time from the date of any rate announcement, rather, each individual application has a 60-day window. Once the transferred money arrives at Security Benefit, if it is within the 60-day window we will set the rates to be the higher of the rates on the date the contract is issued or the date the application was received at Security Benefit. For additional information about the rate-lock program, see the interest rate-lock program flyer (IM-22200-15).

Neither Barclays Bank PLC (**BB PLC**) nor any of its affiliates (collectively **Barclays**) is the issuer or producer of the Strategic Growth 7 Annuity (the **Product**) and Barclays has no responsibilities, obligations or duties to purchasers in the Product. The Morningstar Wide Moat Focus Barclays VC 7% Index ER (the **Index**), together with any Barclays indices that are components of the Index, is a trademark owned by Barclays and, together with any component indices and index data, is licensed for use by Security Benefit Life Insurance Company (**Security Benefit**) as the issuer or producer of the Product (the **Issuer**).

Barclays' only relationship with the Issuer in respect of the Index is the licensing of the Index, which is administered, compiled and published by BB PLC in its role as the index sponsor (the Index Sponsor) without regard to the Issuer or the Product or purchasers in the Product. Additionally, Security Benefit as issuer or producer of the Product may for itself execute transaction(s) with Barclays in or relating to the Index in connection with the Product. Purchasers acquire the Product from Security Benefit and purchasers neither acquire any interest in the Index nor enter into any relationship of any kind whatsoever with Barclays upon making an investment in the Product. The Product is not sponsored, endorsed, sold or promoted by Barclays and Barclays makes no representation regarding the advisability of the Product or use of the Index or any data included therein. Bloomberg Index Services Limited does not guarantee the timeliness, accurateness, or completeness of the Index calculations or any data or information relating to the Index. Bloomberg Index Services Limited makes no warranty, express or implied, as to the Index or any data or values relating thereto or results to be obtained therefrom, and expressly disclaims all warranties of merchantability and fitness for a particular purpose with respect thereto. To the maximum extent allowed by law, Bloomberg Index Services Limited, its affiliates, and all of their respective partners, employees, subcontractors, agents, suppliers and vendors (collectively, the **protected parties**) shall have no liability or responsibility, contingent or otherwise, for any injury or damages, whether caused by the negligence of a protected party or otherwise, arising in connection with the calculation of the Index or any data or values included therein or in connection therewith and shall not be liable for any lost profits, losses, punitive, incidental or consequential damages.

MORGAN STANLEY GLOBAL EQUITY ALLOCATOR INDEX (THE "INDEX" OR "MSGI INDEX") IS THE PROPERTY OF MORGAN STANLEY & CO. LLC.

ANY PRODUCT THAT IS LINKED TO THE PERFORMANCE OF THE INDEX IS NOT SPONSORED, ENDORSED, SOLD OR PROMOTED BY MORGAN STANLEY & CO. LLC, OR ANY OF ITS AFFILIATES (COLLECTIVELY, "MORGAN STANLEY"). NEITHER MORGAN STANLEY NOR ANY OTHER PARTY (INCLUDING WITHOUT LIMITATION ANY CALCULATION AGENTS OR DATA PROVIDERS) MAKES ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, REGARDING THE ADVISABILITY OF PURCHASING ANY PRODUCT LINKED TO THIS INDEX. IN NO EVENT SHALL MORGAN STANLEY HAVE ANY LIABILITY FOR ANY SPECIAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES INCLUDING LOST PROFITS, EVEN IF NOTIFIED OF THE POSSIBILITY OF SUCH DAMAGES. THE INDEX IS THE EXCLUSIVE PROPERTY OF MORGAN STANLEY. MORGAN STANLEY AND THE INDEX ARE SERVICE MARKS OF MORGAN STANLEY AND HAVE BEEN LICENSED FOR USE FOR CERTAIN PURPOSES BY SECURITY BENEFIT LIFE INSURANCE ("LICENSEE"). NEITHER MORGAN STANLEY NOR ANY OTHER PARTY HAS OR WILL HAVE ANY OBLIGATION OR LIABILITY TO OWNERS OF THIS PRODUCT IN CONNECTION WITH THE ADMINISTRATION OR MARKETING OF THIS PRODUCT, AND NEITHER MORGAN STANLEY NOR ANY OTHER PARTY GUARANTEES THE ACCURACY AND/OR THE COMPLETENESS OF THE INDEX OR ANY DATA INCLUDED THEREIN.

No purchaser, seller or holder of this product, or any other person or entity, should use or refer to any Morgan Stanley trade name, trademark or service mark to sponsor, endorse, market or promote this product, without first contacting Morgan Stanley to determine whether Morgan Stanley's permission is required. Under no circumstances may any person or entity claim any affiliation with Morgan Stanley without the prior written permission of Morgan Stanley.

The Index includes a variable index deduction mechanism that scales upward based on positive performance of the Index. Such index deduction is applied when calculating the level of the Index and will thus reduce the return of the Index and any product linked to the Index. The Index applies a bespoke volatility control mechanism to identify changing market conditions using intraday data, and stabilize the overall level of risk of the Index. The volatility control calculation applied by Morgan Stanley as part of the Index's methodology may decrease the Index's performance and thus the return of any product linked to the Index. In addition, because the volatility control calculation is expected to reduce the overall volatility of the Index, it will also reduce the cost of hedging certain products linked to the Index.

Morgan Stanley may transact derivative transactions linked to the Index. Potential purchasers of products linked to this Index should refer to the full offering document for important information concerning such products, including the related risk factors and determine their own appraisal of the risks and suitability of such products.

The Index is created and maintained solely by Barclays using a combination of U.S. Treasury Futures holdings selected by Barclays and the Morningstar Wide Moat Focus IndexSM (**Wide Moat Focus Index**) in its entirety. Morningstar, Inc. (**Morningstar**) has no relationship to Barclays, other than to license Barclays the right to use the Wide Moat Focus Index in the Index. Under this licensing arrangement, Barclays must include the Wide Moat Focus Index in its entirety in the Index. Morningstar has no responsibility for the compilation or maintenance of the Index or its performance, and no liability to anyone for its use. The Morningstar name and logo are registered marks of Morningstar. Morningstar does not guarantee the accuracy, completeness or timeliness of the Wide Moat Focus Index or any data included in it and expressly disclaims any warranties associated with it.

The Product is a fixed index annuity created and maintained by Security Benefit. The Product is not sponsored, endorsed, sold, or promoted by Morningstar or any of its affiliates (collectively, the **Morningstar Entities**). The Morningstar Entities make no representation or warranty, express or implied, to the owners of the Product or any member of the public regarding the advisability of acquiring any financial product, including, without limitation, the Product. The Morningstar Entities are not responsible for and have not participated in: (i) the determination of the participation of the crediting strategy of

the Product; (ii) the timing of the issuance or sale of the Product; or (iii) the determination or calculation of the equation by which the Product is converted into cash; and the Morningstar Entities have no obligation or liability in connection with the purchase, administration, marketing, or crediting of interest for the Product.
