## Interest rate-lock program

Security Benefit offers a rate-lock program for transfers from another carrier for up to 60 calendar days. The program will lock-in the current Fixed Account interest rate and Index Account cap, spread, and participation rates, as long as the transfer money is received at Security Benefit within 60 calendar days from the date we receive the signed application for a new contract. The rate-lock program is available for initial Purchase Payments with a new contract.

It's important to understand this is not a "window" of time from the date of any rate announcements; rather, each individual application has a 60-day window. Once the transferred money arrives at Security Benefit, if it is within the 60-day window we will set the rates to be the higher of the rates on the date the contract is issued or the date the application was received at Security Benefit. For additional information about the rate-lock program, see the interest rate-lock program flyer (IM-22200-15).

The Security Benefit TopRidge Bonus Annuity, a modified single premium, deferred fixed index annuity contract is issued by Security Benefit Life Insurance Company (SBL). In most states, the TopRidge Bonus Annuity is issued on form 5600 (9-19). In Alaska, Connecticut, Idaho, Indiana, Maryland, Massachusetts, Minnesota, Missouri, Nevada, New Hampshire, New Jersey, Ohio, Oklahoma, Oregon, Pennsylvania, South Carolina, Texas, Utah, Virginia, and Washington the TopRidge Bonus Annuity form is ICC19 5600 (9-19).

Guarantees provided by annuities are subject to the financial strength of the issuing insurance company. Annuities are not FDIC or NCUA/NCUSIF insured; are not obligations or deposits of, and are not guaranteed or underwritten by any bank, savings and loan or credit union or its affiliates; are unrelated to and not a condition of the provision or term of any banking service or activity.

Fixed index annuities are not stock market investments and do not directly participate in any equity, bond, other security, or commodities investments. Indices may not include dividends paid on the underlying stocks and therefore do not reflect the total return of the underlying stocks. Neither an index nor any fixed index annuity is comparable to a direct investment in the equity, bond, other security, or commodities markets.

Bonus annuities may include changes to the elements used to determine the index interest credits or changes to the interest rate that are not included in similar annuities without a bonus. These changes may include lower current interest rates, higher surrender charges, longer surrender charge periods, lower participation rates or caps, higher spreads, or other changes. The amount of charges or reduction of interest credits may exceed the amount of the bonus.

Neither Security Benefit Life Insurance Company nor its representatives offer accounting, legal, or tax advice. Please consult with your personal accountant, attorney, and/or advisor regarding any accounting, legal, or tax matters.

The Index includes a variable index deduction mechanism that scales upward based on positive performance of the Index. Such index deduction is applied when calculating the level of the Index and will thus reduce the return of the Index and any product linked to the Index. The Index applies a bespoke volatility control mechanism to identify changing market conditions using intraday data, and stabilize the overall level of risk of the Index. The volatility control calculation applied by Morgan Stanley as part of the Index's methodology may decrease the Index's performance and thus the return of any product linked to the Index. In addition, because the volatility control calculation is expected to reduce the overall volatility of the Index, it will also reduce the cost of hedging certain products linked to the Index.

Morgan Stanley may transact derivative transactions linked to the Index. Potential purchasers of products linked to this Index should refer to the full offering document for important information concerning such products, including the related risk factors and determine their own appraisal of the risks and suitability of such products.

THE CORPORATIONS MAKE NO WARRANTIES AND BEAR NO LIABILITY WITH RESPECT TO THE PRODUCT(S).

**Russell 2000® Disclosure:** The TopRidge Bonus Annuity (the "Product") has been developed solely by Security Benefit Life Insurance Company. The Product is not in any way connected to or sponsored, endorsed, sold or promoted by the London Stock Exchange Group plc and its group undertakings (collectively, the "LSE Group"). FTSE Russell is a trading name of certain of the LSE Group companies.

All rights in the Russell® 2000 (the "Index") vest in the relevant LSE Group company which owns the Index. "Russell®" is a trade mark(s) of the relevant LSE Group company and is used by any other LSE Group company under license.

The Index is calculated by or on behalf of FTSE International Limited or its affiliate, agent or partner. The LSE Group does not accept any liability whatsoever to any person arising out of (a) the use of, reliance on or any error in the Index or (b) investment in or operation of the Product. The LSE Group makes no claim, prediction, warranty or representation either as to the results to be obtained from the Product or the suitability of the Index for the purpose to which it is being put by Security Benefit Life Insurance Company.

**MSCI Disclosure:** The MSCI indexes are the exclusive property of MSCI Inc. ("MSCI"). MSCI and the MSCI index names are service mark(s) of MSCI or its affiliates and have been licensed for use for certain purposes by Security Benefit Life Insurance Company. The financial products referred to herein are not sponsored, endorsed, or promoted by MSCI, and MSCI bears no liability with respect to any such financial products or any index on which such financial products are based. The annuity contract contains a more detailed description of the limited relationship MSCI has with Security Benefit Life Insurance Company and any relevant financial products. No purchaser, seller or holder of this product, or any other person or entity, should use or refer to any MSCI trade name, trademark or service mark to sponsor, endorse, market or promote this product without first contacting MSCI to determine whether MSCI's permission is required. Under no circumstances may any person or entity claim any affiliation with MSCI without the prior written permission of MSCI.

**Societe Generale (SG) Disclosure:** The SG AI Navigator Index (the "Index") is the exclusive property of SG Americas Securities, LLC (SGAS, together with its affiliates, "SG"). SG has contracted with S&P Opco, LLC (a subsidiary of S&P Dow Jones Indices LLC) ("S&P") to maintain and calculate the Index. "Société Générale", "SG", "SG Americas Securities, LLC", "SGAS", "Soc Gen", and "SG AI Navigator Index" (collectively, the "SG Marks") are trademarks or service marks of SG. SG has licensed use of the SG Marks to Security Benefit Life Insurance Company ("Security Benefit") for use in a fixed indexed annuity offered by Security Benefit Life Insurance Company (the "Fixed Indexed Annuity"). SG's sole contractual relationship with Security Benefit is to license the Index and the SG Marks.

None of SG, S&P, or any other third party licensor, including Alexandria Investment Research and Technology, Inc., and Salt Financial LLC and any affiliate of Salt Financial LLC ("Salt") (each, an "Index Party" and collectively, the "Index Parties") to SG is acting, or has been authorized to act, as an agent of Security Benefit or has in any way sponsored, promoted, solicited, negotiated, endorsed, offered, sold, issued, supported, structured or priced the Fixed Indexed Annuity or provided investment advice to Security Benefit, and no Index Party makes any representation whatsoever as to the advisability of purchasing, selling or holding any product linked to the Index, including the Fixed Indexed Annuity. No Index Party shall have any liability with respect to the Fixed Indexed Annuity in which an interest crediting option is based on the Index and is not liable for any loss relating to the Fixed Indexed Annuity, whether arising directly or indirectly from the use of the Index, its methodology, any SG Mark or otherwise. Obligations to make payments under the Fixed Indexed Annuity are solely the obligation of Security Benefit. The selection of the Index as a crediting option under a Fixed Indexed Annuity does not obligate Security Benefit or SG to invest annuity payments in the components of the Index.

In calculating the performance of the Index, SG deducts a maintenance fee of 0.50% per annum, calculated on a daily basis. This fee will reduce the potential positive change in the Index and increase the potential negative change in the Index. While the volatility control applied by SG may result in less fluctuation in rates of return as compared to indices without volatility controls, it may also reduce the overall rate of return as compared to products not subject to volatility controls.

The Fixed Indexed Annuity is not sponsored, endorsed, sold or promoted by Salt. Nor does Salt make any representation regarding the advisability of purchasing the Fixed Indexed Annuity.

Alexandria Technology (a.k.a. Alexandria Investment Research and Technology, Inc.) makes no recommendation as to the suitability of purchasing the Fixed Indexed Annuity.

**MSCI BofA Disclosure:** The MSCI indices are the exclusive property of MSCI Inc. ("MSCI") but may be calculated and/administered by third parties appointed by MSCI. MSCI and the MSCI index names are service mark(s) of MSCI or its affiliates and have been licensed for use for certain purposes by Security Benefit Life Insurance Company. In connection with the MSCI indices, MSCI has licensed the use of certain marks and methodology from BofA Securities, Inc., and other information directly or indirectly from suppliers (collectively with MSCI, the "Licensors"). The financial products referred to herein are not sponsored, operated, endorsed, sold or promoted by the Licensors, and the Licensors bear no liability with respect to any such financial products or any index on which such financial products are based. Obligations to make payments under any such financial products are solely the obligation of Licensee pursuant to the term of the contract and are not the responsibility of the Licensors. The annuity contract contains a more detailed description of the limited relationship MSCI has with Security Benefit Life Insurance Company and any relevant financial products. No purchaser, seller or holder of this product, or any other person or entity, should use or refer to any Licensor trade name, trademark or service mark to sponsor, endorse, market or promote this product without first contacting the relevant Licensor to determine whether its permission is required. Under no circumstances may any person or entity claim any affiliation with a Licensor without the prior written permission of such Licensor.
