Start Saving Early

Time is your biggest advantage in retirement saving.

Starting your retirement savings early, even with a minimal weekly investment, can have a big impact on how much you accumulate over time.

In tax-deferred saving, time is more important than your contribution amount. The chart below demonstrates how different amounts can add up over the years.*

Years to Retirement	5	10	15	20	25	30
Contribution Per Pay Period						
$25	$7,542	$17,634	$31,140	$31,200	$31,200	$31,200
