

About Blueprint Annuity

A FLOOR TO CEILING SAVINGS STRATEGY

Blueprint is an annuity for risk-averse savers seeking more from today's fixed income strategies.

As a fixed index annuity, Blueprint offers interest crediting potential through three index-linked accounts, based on a portion of the S&P 500® performance (without dividends). Keep in mind that you're never actually invested in the market, and your purchase payment and any interest you receive are protected from all market loss. Additionally, you have access to two guaranteed Fixed Account rates (guaranteed for 3 or 5 years, or renewed annually).¹

Lock in today's Fixed Account rates and Index Account caps for the next 3 or 5 years!

- Short 3- or 5-year terms means greater flexibility as market conditions change (Plus, 10% Free Withdrawal option after 1st contract year provides flexible access to funds)²
- Guaranteed Rates and Caps offer predictability over the next 3 or 5 years
- Interest potential based on part of the S&P 500 performance offers potential to earn more than traditional fixed income solutions.

Five Crediting Strategies

Choose from any combination of these strategies that totals 100%:

- 1 S&P 500 Annual Point to Point Index Account with Guarantee Period Cap (3 or 5 years)
- 2 S&P 500 Annual Point to Point Index Account with Cap (renews annually)
- 3 S&P 500 Annual Point to Point Index Account with Trigger Rate (renews annually)
- 4 Fixed Account with Guarantee Period Rate (3 or 5 years)
- 5 Fixed Account (renews annually)

¹ Crediting Strategies with Guarantee Periods must be allocated at Contract Issue and remain in the selected allocations for the entirety of the Guarantee Period. Once the crediting strategy's Guarantee Period ends, we automatically transfer account value into the 1-year Fixed Account, unless the contract owner chooses to reallocate into an available 1-year renewal rate strategy. Guarantee Period strategies are not eligible for renewal. The 3- and 5-year Guarantee Periods are only offered in the respective 3- and 5-year surrender charge period products.

² Withdrawals may be subject to ordinary income tax and, if made before age 59½, may incur a 10% IRS penalty.

Why Blueprint Annuity?			
✓	A strategic approach to maintaining flexibility in changing markets	✓	Growth potential with protection against market losses
✓	Guaranteed Fixed Account rates and Index Account caps	✓	Tax-deferred growth potential

Security Benefit Life Insurance Company is not a fiduciary and the information provided is not intended to be investment advice. This information is general in nature and intended for use with the general public. For additional information, including any specific advice or recommendations, please visit with your financial professional.

The Security Benefit Blueprint Annuity, issued in most states on form ICC25 6100 (6-25), is a single purchase payment deferred fixed index annuity issued by Security Benefit Life Insurance Company. In Idaho, the Blueprint Annuity is issued on form ICC25 6100 (6-25). Product features, limitations, and marketing materials vary by state and/or distribution firm, and may not be available in certain states or through certain distribution firms.

Guarantees provided by annuities are subject to the financial strength of the issuing insurance company. Annuities are not FDIC or NCUA/NCUSIF insured; are not obligations or deposits of, and are not guaranteed or underwritten by any bank, savings and loan or credit union or its affiliates; are unrelated to and not a condition of the provision or term of any banking service or activity.

Fixed index annuities are not stock market investments and do not directly participate in any equity, bond, other security, or commodities investments. Unless indicated otherwise, indices do not include dividends paid on the underlying stocks and therefore do not reflect the total return of the underlying stocks. Neither an index nor any fixed index annuity is comparable to a direct investment in the equity, bond, other security, or commodities markets.
